Choose our four concert program package, and your ad will be seen by approximately 5,000 people in our audiences, as well as members of the chorus, soloists and orchestra. As you'll see below, the four concert package rates are a considerable savings over the per-concert price. Whichever you choose - this investment will pay for itself!

Now marking our 28th year, the 150-voice San Francisco Choral Society is a non-profit performing arts organization that has earned a reputation as one of the Bay Area's most accomplished choirs. Our year-round program enables singers to perform major works with professional orchestras and soloists, and to benefit from low-cost music classes and workshops. We have shared our repertoire – ranging from the Renaissance to our commissioned World Premieres - with more than 120,000 concertgoers.

San Francisco Choral Society's efforts have been recognized with funding grants through the Bernard Osher Foundation, the Getty Foundation, the Cameron Arts Loan Fund, the Goldman Fund and Grants for the Arts of the San Francisco Hotel Tax Fund. The Choral Society also finances its activities through registration fees, volunteer efforts, matching fund programs, ticket sales, contributions, and... concert program advertising. **We thank you for your support.**
